

Fast Forward Program

This program allows Vermont residents who are enrolled in Career Technical Education (CTE) programs to get high school and college credit for college courses taught by a CTE teacher at the regional CTE centers. Fast Forward is funded by Carl D. Perkins for federal and state career and technical education programs of study:

- Technical Center Students ONLY
- Up to two free courses (using Fast Forward tickets) per eligible Vermont student
- This is for concurrent enrollment only (on-site at the Tech Center with the CTE instructor as approved adjunct instructor)
- Courses can be taken through CCV and Vermont Tech ONLY
- Additional courses can be purchased for \$100 per student per course
- Only specific courses are eligible, which are part of targeted programs of study leading to associate degrees at CCV or Vermont Tech

Contact your local Career Technical Education Center.
